The treasurers report was approved, a copy attached hereto.
Continuation Executive Committee Meeting
Florida Chapter APWA—December 8, 1973

Report on House of Delegates

W.P. Warner reported on the House of Delegates and the Region IV meetings held in Denver during the annual Congress. To date the minutes of these meetings had not reached him. The recommendation of the Florida Chapter that a nominee for Top Ten Public Works Man of the Year must bear the endorsement of the local Chapter did not get on the agenda, despite efforts by Mr. Warner to have it included. The Committee recommended inclusion of this item in the Region IV meeting to be held in St. Petersburg in May 1974. Discussion was also held regarding the advisability of having chapter office assume the same during the annual local conference. At the present time they take office on January 1.

Alternate to House of Delegates

By motion made and seconded, W.P. Warner was named as Alternate Delegate for 1974. Charles E. Peterson is the Delegate.

Report on Work Shop

Charles Matheny reported on the Street Cleaning and Maintenance Work Shop held in Tampa, December 6 & 7. William Hurst, Senior Research Associate from the National office was in charge. Some thirty attended from several states. Mr. Matheny stated several members of the Florida Chapter were on the program. He considered the program as helpful and successful.

Report on Chapter Dinner in Denver

N.M. Ulsch, Sr., reported on the successful Chapter dinner held during the annual Congress in Denver. It was attended by 76 from the state and all agreed it was the best ever. Receipts for the dinner lacked approximately fifty dollars of meeting expenses of the meal, social hour and bus transportation. Mr. Ulsch was thanked for the hard work in making preparations for the dinner.

Report on Site for 1975 Chapter Conference

P.E. Kinsey reported only one firm bid had been received for the 1975 Conference, this being from Miami Beach. While it is possible other cities might be interested, Miami Beach is the only city with indoor space for the equipment show. It was agreed indoor space is essential for a good equipment show, in fact dealers and distributors have stated they will not participate if staged outdoors.

A motion made and seconded, it was unanimously approved to accept the Miami Beach invitation to host the 1975 Conference, for the dates of May 14-17.

Mr. Kinsey was instructed to work out the details with local representatives as to the headquarters hotel.
Continuation Executive Committee Meeting
Florida Chapter APWA—December 8, 1973

Report on 1974 Conference

In the absence of T.E. Goodrow, Conference Chairman, Wade Umberger,
reported on the 1974 Conference to be held in St. Petersburg,
May 8-11. The program was discussed and suggestions made for the
committees consideration. P.E. Kinsey, President elect, will extend
invitations to the National President and Regional Director to
attend and participate in the program.

Meeting turned over to Incoming President

There being no further business, President Peterson expressed
appreciation for the support and cooperation given him during
1973. He pledged his continuing support and help to the Chapter.
He then presented P.E. Kinsey with the gavel.
Mr. Kinsey complimented the out-going President for his leadership
and service to the Chapter. He then lead a discussion on when
and where future Executive Committee meetings should be held. It
was agreed due to the fuel shortage that Orlando being centrally
located is the proper place. Mr. Kinsey stated only one meeting
will be held prior to the Annual Conference in May. He will
announce the date.
Mr. Kinsey expressed a desire of having a closer working relation-
ship with other organizations within the State, especially the
Florida League of Cities.

Adjournment

The meeting was adjourned at 11:00 a.m.
