Written Report:
The following report addresses events associated with Chapter, Branch and Scholarship Trust bylaws since our previous report, as follows:

**Chapter Bylaws**
The Florida Chapter Bylaws were last revised in April 2016. In accordance with Florida Chapter Bylaws, Article 16 – Amendments, Section 5, reads, "The Executive Committee should conduct a review of the Chapter’s bylaws for completeness and applicability at least once every three years." The Bylaws Committee has completed this review, as of January 2019, with no revisions necessary. The next review of the bylaws should be performed on or before January 2022. If changes are to occur, they should be made to target the 2021 Expo, for presentation and a vote with the Chapter membership.

**Branch Bylaws**
No recent activity has occurred associated with Branch Bylaw revisions during the preceding quarter.

**Scholarship Trust Bylaws**
The Scholarship Trust Bylaws were last modified in January 2019, amending Article 3, Item 12.

Current Committee Members:
Tom Pugh – Chairman
