

APWA Florida Holds Public Works Expo

The American Public Works Expo Florida Chapter hosted the Florida Public Works Expo April 16 to 20, 2018, in Jacksonville, Fla.

The expo drew public works professionals from Florida, as well as the southeast region. Many events provided networking opportunities, technical sessions, an equipment rodeo, and more.

New to this year's expo was a golf tournament hosted by Northeast Branch and was held at Topgolf, a premiere golf entertainment complex.
