Southwest Florida Branch

District IX

Quarterly Report
November 6, 2010

Mr. Ron Ribaric, President
Florida Chapter, APWA

Since the Chapter’s Executive Board meeting held in August, the Southwest Florida branch has continued to provide informative speakers and programs at our regular monthly breakfast meetings. Recent topics have included the Capital Improvement programs for the City of Punta Gorda and Charlotte County, and Sustainability.

Our 2010 annual scholarship golf tournament was held on October 1st and by all accounts was a huge success. The weather, food and turnout was great and we raised $4,500 to support our scholarship program.

Several members of our branch participated in a Community Helper Day at Evangelical Christian School on October 15th. The K-4 through 3rd graders learned about safely crossing streets and got to see some construction and maintenance equipment up close.

The Southwest Florida Branch has officially adopted a road! A half mile stretch of Daniels Parkway in Lee County is ours for the next year. Cleanups will happen every two months and everyone is welcome to help out.

The Branch is collecting non-perishable canned goods for the Harry Chapin Food Bank, which feeds those in need throughout Lee, Charlotte, and Collier Counties. This is the second year the Branch has been collecting and the response has been good.

Our Branch newsletter will be available next week. Tracy Quintana has been doing a great job of gathering information and putting into a spectacular looking newsletter. See Tracy if you would like to be put on the mailing list to receive it!

The Southwest Florida Branch will be celebrating our 25th anniversary on November 16th! A happy hour celebration will be held at Edison’s at the Fort Myers Country Club. Everyone is invited!

This concludes our report for the Southwest Florida Branch on the preceding quarter.

Respectfully submitted,
