Project Management
May 3-4, 2012

$157.00  
(includes student notebook)

Location: SCTI
Sarasota Public Works Academy
2nd building on Beneva Road south of Wilkinson Road, Sarasota

Approved for 15 PDH credits
Provider #0005167

This dynamic, 2-day session on project management includes everything from project initiation, project monitoring and controlling, and on to project close-out. It will also provide you with useful tips you can use to ensure your project’s success. Upon completion you will understand the core principles of Project management and be able to apply the principles and processes to projects in various environments.

Instructor R. Christopher Sharek, PE, BCEE, PMP, will present interactively, involving everyone in discussions and answering your questions.

To learn more, call 941-924-1365, x62473.
Presented in partnership with ATKINS.

Pre-register is required. Complete the pre-registration form on the back and fax it to (941) 925-3592. Please indicate if you are requesting PDH credits.
48 hour cancellation is required.
Prices are subject to change.
